- Contains choline for brain and cellular health\*
- Superior quality, wild-caught Antarctic krill oil
- Sustainably sourced
- Helps maintain heart, brain, and joint health\*
- Supports vision and skin health\*

Move over fish oil. There's a smaller, tastier, and more bioavailable option now.\* DaVinci<sup>®</sup> Laboratories NKO<sup>™</sup> Krill Oil features a naturally sourced extract from Antarctic krill (*Euphausia superba*), is a rich source of the health-promoting omega-3s found in fish oil, EPA and DHA.\* What's more, this krill oil supplement contains choline for brain health and astaxanthin, a carotenoid that supports skin and eye health.\*

### More Omega-3s, Without the Fish Burps\*

With NKO<sup>™</sup> Krill Oil's unique phospholipid delivery system, you can absorb omega-3s faster and more efficiently than other fish oil products.\* Smaller capsules are more comfortable to swallow, and no fishy aftertaste.\*

### Healthier for You and the Planet

NKO<sup>™</sup> Krill Oil is sustainably sourced. You can trace it back to its origins. It is produced in an NSF certified facility and is third-party tested for purity and quality. Wild-caught Antarctic krill provides one of the cleanest and most pure sources of omega-3s for you and your family.

### Helps to Maintain Heart Health\*

Krill oil helps keep your cardiovascular system in tip-top shape.\* It supports healthy blood glucose levels, helps maintain normal cholesterol levels, and promotes a normal inflammatory response.\*

### Helps to Keep Your Memory Sharp\*

Krill oil contains phospholipids, important nutrients that escort DHA into the brain and also nourish the brain with choline.\* The result? Krill oil helps keep memory sharp and focused, helping you knock tasks off your to do list and remembering where you set down your cell phone.\*

### Helps to Keep You Mobile as You Age\*

Krill oil supports muscle strength, promotes grip strength, and helps keep joints flexible.\* More comfortable joints means increased mobility.\* Continue to do what you love—hiking, cycling, or dancing.

### Promotes Soft Skin and Healthy Eyes \*

Krill oil moisturizes the skin from the inside out, keeping it soft and touchable.\* It also nurtures a youthful glow, thanks to increased skin elasticity.\* The choline, DHA, and astaxanthin in krill oil support eye health and function, so that your vision will stay sharp as you age.\*

### NKO<sup>™</sup> Krill Oil is recommended for:\*

- Supporting EPA and DHA levels in the body\*
- Staying active during healthy aging\*
- A healthy cardiovascular system\*
- Cognition, memory, and focus\*
- Enhanced skin texture and glow\*
- Supporting normal vision and eye comfort\*
